For the attention of the Chief Executive Officer (CEO)

Dear Sir/Madam

**Non Destructive Testing (NDT) and Manufacturing Engineering (M.E)  
Methods Approval by GKN Aerospace Filton**

- 1 We have pleasure in informing you that the NDT and M.E Methods at Nu-Pro are approved by GKN Aerospace Filton.
- 2 The GKN Aerospace Filton approval number allocated to your organisation is:

**GKNAF00203NDT**

This number should be quoted on all relevant documents in addition to any other customer requirements defined in the conditions of contract.

- 3 This approval covers the following categories of work:

**Anodic Flaw Detection  
Magnetic Testing  
Penetrant Testing  
Hardness Testing  
Conductivity Testing**

As applicable, work must also be performed in accordance within the scope of your organisation's approval from GKN Aerospace Filton customers and must comply with all other applicable requirements of these customers.

- 4 A GKN Aerospace Filton Certificate of Approval is enclosed.
- 5 The approval is dependent on your continued compliance with GKN Aerospace Filton requirements and those of its customers for whom your organisation is performing work.
- 6 Should you at any time be requested to undertake work for GKN Aerospace Filton directly or via its sub tiers which is outside your scope of approval, you are required to notify the GKN Aerospace Supplier Assurance department in order that suitable arrangements can be made.
- 7 You are required to notify the undersigned of any significant changes to your company as well as any significant changes to your management structure.
- 8 This approval may be withdrawn at any time at the discretion of GKN Aerospace Filton.
- 9 Please acknowledge receipt of this letter and accompanying certificate to the undersigned confirming that you accept the conditions of this approval.

Yours faithfully  
For and on behalf of  
GKN Aerospace Filton
