Reference: Supplier Approval

An evaluation of your company has been completed by Goodrich Actuation Systems Wolverhampton. Based on this evaluation, Goodrich Landing Gear is pleased to inform you that Nu-Pro Surface Treatments has been added as an approved GLG supplier. The listing of specific process specifications included in this approval is located on GLG Internet site, www.lgd.goodrich.com/suppliers.

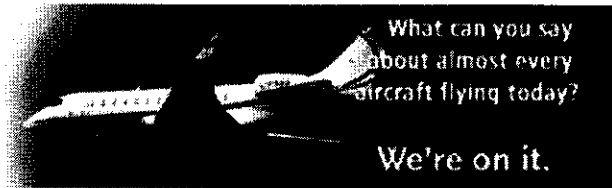

The Goodrich Landing Gear approval granted within this letter shall remain in force until such time that written notification of a change to the approval status is received from Supplier Quality.

This office must be notified promptly of any change in senior or quality management, company name, facility address, processing capabilities or significant revisions to quality procedures.

Very truly yours,
